LAW & ORDER

A trench looks best only with a suit, right? Wrong. With forward-thinking gents breaking all the style rules these days, the classic cover-up feels equally right over a formal three-piece or casual pullover-and-sweatpants combination.

Cotton trench with leather collar, \$3,995, by BURBERRY LONDON. Wool knit jumper, price unavailable, by CALVIN KLEIN PLATINUM LABEL. Cotton-jersey sweatpants, price unavailable, by ARMANI EXCHANGE. Calf leather sneakers, price unavailable, by GUCCI.

FUZZY LOGIC

Today's coats come in a myriad of styles but the best ones do more than keep you warm. Opt for a stand-out version that comes double-breasted, reversible and in shearling that adds a touch of visual texture to your ensemble.

Navy shearling reversible double-breasted coat, price unavailable, by CALVIN KLEIN PLATINUM LABEL. White merino-wool short-sleeved tee, \$725, and black wool trousers, \$550, both by BURBERRY LONDON.

Think of these versatile outerwear options as a prelude to the new season. Or great investment pieces to help you through the unpredictable transition months ahead. And when the chill finally hits, you'll already be on top of keeping warm without looking like the Michelle Max.

HIGHER LEARNING

There're no playing mind games with this one. The varsity-inspired jacket scores full marks because it looks smart. It's as simple as that. What will put you at the top of the game is a refined version that's more Ivy League intellect than locker-room jock.

Black woolblend jacket and black woolblend trousers, prices unavailable, both by GUCCI. Navy merino wool turtleneck, price unavailable, by CAVIN KLEN PLATINUM LABEL.

SKIN DEEP

Not to be confused with Apple's computers, the mockintosh is a waterproof raincoat versatile enough to wear all year-round. And thanks to designers such as Silvano Venturini Fendi, the coat is now reimagined with luxurious touches like a supple, full-leather body.

Leather coat, price unavailable, by FENDI. Wool knit jumper, price unavailable, by BURBERRY LONDON. Wool trousers, price unavailable, by CALVIN KLEIN PLATINUM LABEL. Velvet slippers, price unavailable, by LOUIS VUITTON.

Outfit by Dirk Bikkembergs

Widely known as one of the "Antwerp Six," Dirk Bikkembergs launched his namesake label in 1996, paving his way into the international runways by producing collections heavily inspired by sportswear. The unique portrayal of a man's figure as healthy, strong and virile created a strong identity like no other. The brand has now matured to exude not only sporty charisma but also fashion sensuality. Sensibility is also a question that Bikkembergs answers through a series of tests and promotion of his clothing designs worn by many a football player.
